Fees for Acupuncture Treatment Edna M. Brandt, L.Ac.

My fees reflect the following:

1. You work personally with me, a full-time acupuncture practitioner for 20 years and a distinguished faculty member of the leading acupuncture school in the U.S.
2. You receive a full hour of undivided attention and care each time you come (two hours for the first visit).
3. You receive the benefit of my considerable education and skill as well as my continued educational training, more than is required for maintaining Maryland licensure.
4. Your treatments take place in a peaceful and serene treatment room furnished for my needs and used exclusively for my patients.
5. Your appointments happen on time: no waiting for me.
6. I love my work and you will too.

First visit: \$150 (\$140 seniors 65+)

Two hours: full health review plus treatment

Subsequent visits: \$85 (\$75 seniors 65+)

One hour: Evaluation plus treatment

Fees are expected at the time of service and may be paid by cash or check. You will receive a receipt that has all information for you to file a claim with your insurance company if you wish.
